

8 Days Kenya Classic Wildlife Safari.

Tour Overview

Immerse yourself in the captivating beauty of Kenya with our 8 Days Kenya Classic Wildlife Safari. This extraordinary journey takes you deep into the heart of Kenya's most renowned national parks and wildlife reserves, promising an adventure filled with breathtaking encounters. Begin your exploration in the Maasai Mara, a wildlife haven where the drama of the Great Migration unfolds against a backdrop of endless savannah. Here, you'll witness the iconic Big Five and connect with Maasai tribes, gaining insight into their rich culture.

As your journey continues, you'll be enchanted by the surreal beauty of Lake Nakuru, home to vibrant flamingo colonies and an array of other bird species. Then, venture to Amboseli National Park, where the majestic silhouette of Mount Kilimanjaro presides over vast herds of elephants. Throughout this 8-day safari, you'll be accommodated in carefully selected lodges and camps, each offering comfort and immersion in the natural wonders that surround you. Join us on this classic Kenyan wildlife odyssey, where every day unveils new adventures and a deeper appreciation for Africa's wild treasures.

Day 1: Lake Naivasha

You will be picked from the airport or your overnight hotel by our office representative and your driver guide and after the safari briefing; you will depart for Lake Naivasha through the Great Rift Valley escarpment. On arrival you will have lunch and later in the afternoon, have a boat ride and a tour of the Crescent Island.
