

The Best of Kenya and Tanzania Safari

Tour Overview

“The Best of Kenya and Tanzania Safari” is an extraordinary adventure that showcases the absolute pinnacle of East Africa’s wildlife, landscapes, and cultures. Over approximately 6 days, this safari takes you on a journey through two of Africa’s most iconic safari destinations, Kenya and Tanzania, offering a comprehensive and unforgettable experience. It’s a holistic experience that immerses you in the captivating landscapes, the rich traditions of local communities, and the deep conservation efforts that make this region so special.

In summary, this safari is a once-in-a-lifetime opportunity to witness nature’s grandeur in two of Africa’s most celebrated safari destinations. It’s a journey that combines adventure, culture, and a profound connection to the natural world, leaving you with cherished memories and a newfound appreciation for the wild beauty of East Africa.

Day 1: Nairobi-Masai Mara

You will depart from Nairobi after breakfast and begin the long drive south to the Maasai Mara. Stopping along the way to take in the stunning view of the Great Rift Valley, Lunch in Narok. Later depart for the Masai Mara National reserve where will arrive for evening game from 4pm. Home to the entirety of the Big Five, the Maasai Mara also plays host to the Wildebeest Migration each year and makes for a stunning backdrop for your first day of safari. Dinner and overnight in lodge.

Day 2: Masai Mara

After breakfast at your lodge, will head to the Masai Mara reserve for a whole day game drive as we cover the best parts of the park. You’ll head out into the park to watch as the sun sets fire to the savannah and the big cats take advantage of the morning cool to search for a meal. Alternatively, you can take to the skies with a hot air balloon safari that will see you soar above all of the action before setting down on the plains for a champagne breakfast among the wildlife. Ask your safari expert about adding a hot air balloon adventure to your safari. You may also opt to relax at your lodge in the morning, enjoy lunch on site, and then head out again in the afternoon once the weather has cooled off a bit. Dinner and overnight in lodge.

Day 3: Masai Mara- Serengeti

Bid farewell to the Maasai Mara and Kenya after an early breakfast and en route game drive that takes you to the Isebania border crossing. After the immigration formalities are done, you will meet your new driver and continue into the world-famous Serengeti National Park for an afternoon game drive. Home to huge populations of wildebeest, zebras, and antelopes – the picturesque Serengeti is an excellent place to spot predators such as lions, leopards, and cheetahs as well as herbivores including elephants, hippos, and giraffes. This is a long day of driving. Be prepared for a tiring day! Dinner and overnight in Lodge.

Day 4: Serengeti National Park

You will wake before dawn for an unforgettable sunrise game drive. Marvel at how the sun sets fire to the savannah as you go in search of big cats on the hunt for their morning meal. After breakfast, you will spend an entire day out on the plains of the Serengeti searching for the Big Five and (if the time is right) the movements of the famous Wildebeest Migration. Weaving through kopjes upon which lions sun themselves, you will see some of the world's most iconic wildlife against the open plains and big sky of Tanzania's crown jewel. Dinner and overnight in your lodge.

Day 5: Serengeti National Park-Ngorongoro Crater

After breakfast, we get right on the road back towards the Ngorongoro Crater National Park. Our drive takes us back through the Serengeti via a different route, offering plenty of opportunities to spot the animals that eluded you on day two. As far as the eye can see, you will spot thousands upon thousands of animals in herds; wildebeests and zebras migrating together, tall and graceful giraffes, jumping antelopes and gazelles, the powerful African elephant and the most respected group of animals: the predators. You will have the chance to spot lean cheetahs and shy leopards, foraging hyenas, and last but not least, the king himself; the lion.

Dinner and overnight on the rim of the Ngorongoro Crater or in nearby Karatu Town in a budget hotel.

Day 6: Ngorongoro Crater-Arusha

After breakfast, you will depart for Ngorongoro Crater; considered by some to be the Eighth Wonder of the World. When you get your first glimpse of this vast, verdant caldera from the panoramic viewpoint, you will soon understand why it has earned such a lofty reputation.

Home to over 120 species of mammal including the fabled Big Five, the Ngorongoro Conservation Area is one of the most sought after safari destinations in the world. It is a particularly good place to see the endangered black rhinoceros enjoying a lonely meal out on the grass plains, as well as a place to see large numbers of hippopotamus enjoying the cool water.

From the comfort of your open-top vehicle, you will be able to observe and photograph some of Africa's most recognizable faces. The crater is home to a large number of predators including lions, leopards, cheetahs, jackals, and hyenas, as well as a large population of wildebeest, zebras, antelope, cape buffalo, and more. It is truly one of Africa's premier safari destinations.

After the thrills and excitement of the day, you will have a picnic lunch by the park's famous hippo pool. You will then drive to Arusha and onward to Kilimanjaro Airport for your onward flight back home.
